

Friday and Saturday night main bar booking

A space in our main bar is available for larger bookings on Friday's and Saturday's and includes the below:

- Use of Sydney's finest, independent, community-run, family-friendly bowling club. We'll book you a majority portion of the main bar including the dancefloor and stage for your event.
- Use of our inside house PA system for bands, a playlist or DJ music from 6 pm until 11:30 pm. Gear list [here](#). Please note: Our bookings manager will need to approve your entertainment and you'll need to provide your own sound engineer (we have a list of people we can recommend).
- Access to our beautiful bar serving our extensive range of delicious craft beers, wines, and other tipples. We have 18 taps (plus a hand pump!) of independently owned craft beer, ranging from trusty Coopers Pale ale to your local Inner West favourites and sprinkled with some interesting and sometimes fancy limited releases from all around Australia.
- Our growing wine list is predominantly Australian, supporting our hard-working farmers and winemakers, and includes delicate delights that are natural, preservative-free, vegan-friendly, and bio-dynamic. We have an extensive and interesting range of spirits, again focusing on Australian independents, so whiskey and gin connoisseurs shall not be disappointed! Check them out [here](#).
- To support a community-run, not-for-profit club while you celebrate.
