

Our booking guidelines!

All bookings must be accompanied by a member or become a member upon booking confirmation. You can renew an existing membership or start a new one [here](#).

KIDS PARTIES

We allow a portion of the outside top green space to be used for kid's parties for a three-hour time slot on weekends. There is no cost associated with outdoor table bookings. We do not take bookings for children's parties inside the venue and in the event of bad weather, we do not guarantee anyone a spot undercover/inside. Our 50-person booking size limit includes all children and is firm.

Our greens are maintained by a volunteer greenskeeper who kindly donates their time so we politely refuse any requests to bring decorations that will compromise the environment.

DECORATIONS

NO - Party poppers, Streamers, Confetti, Confetti in balloons, Lolly bags (small plastic wrappers/ toys), Balloon animal creations, Pinatas, Whistles etc.

A few balloons, a banner, and tablecloths are fine but all decorations must be removed and disposed of before leaving the premises.

We do not allow jumping castles.

Unamplified children's entertainers are welcome but must be approved by myself or management beforehand. We do not allow music outside, this includes portable speakers. It is important to be aware that we will have other customers/parties at the same time as yours, as well as neighbours that we have to keep happy. Because of this, we ask you as the parents to please keep the children's party contained, supervised at all times and noise appropriate.

All children must be accompanied by an adult when inside the venue and remain behind the white line when near the bar. **Children are not permitted on our bottom green unless playing bowls with an adult.**

BAR TABS

Bar tabs can be set up on the day at the bar when you arrive. Just ask one of our lovely bar staff and quote your reservation.

CAKE STORAGE

The Bistro can store cakes in a cool room for you. No freezer space is available. BYO serving essentials includes candles and a lighter. The Bistro can supply a sustainable plate, fork, and serviette for \$2pp (they have cake knives for you). **Ask at the bistro when you arrive about storing your cake.**

NO OTHER BYO FOOD & DRINKS - our little club & kitchen survives on food & drink sales so please don't bring anything else in.

Our bistro is independently owned and operated. You will need to liaise directly with Lizzie at [Catering](#) regarding all food orders and enquiries.

DOGS

Four-legged friends are welcome outside and on a leash at all times.

Wet Weather: Due to the arrival of La Nina this year, outdoor bookings have the potential of being rained out. While we would love to accommodate all our bookings undercover we simply do not have the space to guarantee everyone a spot.

Cancellations: Life happens, we understand. If you are unable to attend your booking for any reason please let us know by calling the venue on 02 95694639. We shall only hold your booking for 30 minutes unless otherwise notified.

Thanks for your understanding.
